## FIELD OF LOCAL SPORTS

Pastimes Win From Active A. C. of Kearny, by Score of 5 to 0.

### BROWN BACK IN FINE FORM

The Pastimes won their tenth straight game last Saturday afternoon at Franklin Field by shutting out the Active A. C. of Kearny. The home team scored their first runs in the fifth inning, on two singles and some wild throwing by the visitors. In the seventh, three singles in succession gave them another run, and the last run came in the next inning on two singles, assisted by two errors. The Active did not play a bad game, in fact they played a very good game, the only trouble was that the local team's hits and the visitor's errors came together too closely, which is always a sure combination to produce runs.

Brown's week of rest had been of great benefit to his injured finger and he was sent out to do the pitching. He pitched one of the best games of the year, only two of the opposing team reaching first base safely, besides those allowed by Gillespie's poor throwing. The rest of the team gave him errorless support.

## REPUBLICAN HEADQUARTERS

The Commodious and Convenient Quarters of the Party.

The Morristown Republican and Sound Money Club is a permanent body, preserving its organization and equipment from one campaign to another, with such improvements as may suggest themselves. The result is that when a campaign opens everything is at hand for active work. This year, however, thanks to the foresight of County Clerk Voorhees, the Republicans of the town are in better shape so far as quarters are concerned, than at any time in the past. The entire second floor in the Chronicle building has been secured and fitted up most tastefully, with everything at hand for the detail work of the campaign. The accompanying cuts will give a better idea of the rooms than a printed description. The rooms are open at all times during the week days, and everybody is invited to make themselves at home. The Headquarters are used not only by the Club but is also the headquarters of the Republican County Committee. The County Convention on Thursday will be held there, and it will also be used as the headquarters of the several county delegations to the Congressional convention next week.

N. I. CHRISTIAN ENDEAVORS.

To Meet in Convention in Elizabeth the First Week in October.

Morris county Christian Endeavors are asked to remember that the eighteenth annual New Jersey State Christian Endeavor Convention will be held in Elizabeth, N. J., October 6 and 7, 1904, in the Central Baptist Church. Probable speakers are the Revs. Andrew Nilles, D. D., of New York City; J. H. Danforth, D. D., Westfield; J. C. D. Sinkinson, D. D., W. Floyd Tompkins, D. D., Philadelphia, Pa.; John E. Cowen, D. D., associate editor C. E. World; I. A. Vance, D. D., Newark, N. J.; Charles Herald, pastor of Bethesda Congregational Church, Brooklyn. Also, Bishop Walters, D. D., of Jersey City, and Messrs. Robert E. Spear, sec'y Pres. Board of Foreign Missions, John Willis Baer, assistant secretary Pres. Board of Home Missions.

The singing is to be led by the Rev. F. H. Jacob, and all necessary arrangements have been completed to insure the success of the convention.

We are glad to hear that Flanders Society is increasing in numbers and doing good work in all the departments. Their contributions to Fresh Air work are doubled this year.

Hanover and First Baptist of Morristown report a prosperous condition existing in their C. E. organizations. New Varren Junior Society recently held a public service at which time each member thought of his or her "talent money," and it was pleasing to note that the contributions that day amounted to more than \$16.
